PANORAMAPUNKT

BERLIN'S HOTTEST EVENT LOCATION

Welcome to PANORAMAPUNKT at Potsdamer Platz 1, a unique venue for exclusive events, receptions and gatherings of the highest order – located 100 meters above the city, our facilities turn every occasion into an unforgettable experience. It starts with the fastest elevator in Europe, which whisks you to the 24th and 25th floor of the Kollhoff-Tower. Inside the Panoramacafé guests will be greeted by floor-to-ceiling windows and a 360° panoramic view on the outdoor areas with 230-square-meter terrace.

Modern catering facilities and technical equipment are also available for any type of event for up to 500 people (in- & outdoor). Our outdoor areas bring your guests even closer to the pulsing city below. The outdoor seating of the Panoramacafé, inspired by the high-rise architecture of the 1930s, is perfect for an exclusive dinner while the terrace is a spectacular place to enjoy drinks at sunset – and a view of just about all of the city's most famous sights.

On the following pages you will find more information about all that PANORAMAPUNKT has to offer. We are also happy to show you around in person – just give us a call to make an appointment!
